To—The Secretary to Government, Judicial Department, Bombay.

With reference to paragraph 3 of Government Resolution No. 1220, dated 28th February 1911, Judicial Department, I have the honour to state that in my opinion there is no objection to the issue of orders in conformity with paragraphs 4 and 5 of the Government of India's letter in connection with the release of convicts other than life-convicts.

No. 253, dated the 10th August 1911.

From—Major E. W. Wodehouse, Political Agent, Kolhápur and Southern Marátha Country ;

To—The Secretary to Government, Judicial Department, Bombay.

With reference to Government Resolution, Judicial Department, No. 1220, dated the 28th February 1911, regarding the procedure to be followed in connection with the release from British jails of prisoners belonging to Native States who are released subject to police surveillance, I have the honour to report, for the information of Government, that the States under this Agency on being consulted report that they are willing to co-operate with Government

if orders in conformity with paragraphs 4 and 5 of the Government of India's letter quoted in the preamble of the Government Resolution under reference were issued but the State Karbhari of Sángli enquires whether the same procedure will be followed with regard to life-convicts and other convicts belonging to British districts, who may have been sentenced by the State Courts, and who subsequently may be conditionally released under section 401 of the Criminal Procedure Code or under any other section.

Now the only objection I see to the proposals would arise in cases when the Political Agent does not reside in the Native State to which he is accredited. In such cases I would suggest that instead of released convict being handed over to the Political Officer, he should be handed over direct to the Darbar concerned. I raise this point in view of the fact that neither the Political Agent nor the Assistant Political Agent, S. M. Country, resides within the limits of those States. Again the Political Agent at Kolhápur is Political Agent for Kolhápur and also for S. M. Country States. If he were on tour in the remote portions of the S. M. Country and a Kolhápur convict were to be handed over to him, it would be both inconvenient and expensive to all concerned to deliver him over to the Political Agent in such a spot. In such cases I would recommend that such a convict should be handed over direct to the Darbar concerned.

No. 2789, dated the 23rd March 1911.

From—The Honourable Lieut.-Colonel J. Jackson, M.B., I.M.S., Inspector-General of Prisons, Bombay Presidency;

To—The Secretary to Government, Judicial Department, Bombay.

With reference to Government Resolution, Judicial Department, No. 1220, dated the 28th February last, I have the honour to inform you that I see no objection to the issue of orders in conformity with paragraphs 4 and 5 of Government of India's letter No. 391, dated the 2nd December 1910, in connection with the release of convicts who are not life-convicts.

No. 4766-C., dated the 6th April 1911.

From—M. Kennedy, Esq., Inspector-General of Police, Bombay Presidency;

To—The Secretary to Government, Judicial Department, Bombay.

With reference to paragraph 3 of Government Resolution in the Judicial Department, No. 1220, dated the 28th February 1911, I have the honour to state that in my opinion there is no objection to the issue of orders in conformity with paragraphs 4 and 5 of the letter from the Government of India printed in the preamble of the Resolution in connection with the release of convicts belonging to Native States who are not life-convicts.

2. The proposed procedure will no doubt entail some extra work on the police. It may, however, be accepted in view of the better supervision over the convicts that the police will be able to exercise thereby.

RESOLUTION.—The Governor in Council is pleased to direct that arrangements should be made in the manner indicated in paragraph 4 of the letter from the Government of India, No. 391, dated the 2nd December 1910 (in the preamble to Government Resolution No. 1220, dated the 28th February 1911) for the release of prisoners belonging to Native States, who are not *life-convicts* and that the authorities of the Native States concerned should be moved to give to the Political Officer or the police, as the case may be, the earliest possible information of the fact that a prisoner released in the above manner has been lost sight of in that State or has actually left it for some known destination.

2. The Government of India should be informed that as desired by them the wishes of the Darbar concerned will be consulted through the Political Officer for the State regarding the intended release of prisoners belonging to that State.
